Out of this World - By Edgar Thorpe.pdfHi, I am new to the forums, and am trying to learn more about
live stream video production. Currently, I am looking at Youtubethanks in advance for the time you took
to answer my question. I am looking into the possibilities of Live-streaming concerts, and have found
this company called Jot Films. I am wondering if there is anyone here that might be interested in using
Jot Films, and maybe even develop some videos with the services provided. I have already created a
video with them in mind, and used some video footage from a past concert, but am not sure how much
of a connection I can make with them. I am not sure if they are interested in broadcast companies, or
interested in independent film-makers. Hi Jot

Intraoperative cross-sectional imaging for neurovascular surgery: review of 90 cases. Cross-sectional imaging has recently gained acceptance in spine surgery. We reviewed a series of patients who underwent intraoperative cross-sectional imaging (IOCS) in our division to further establish its role in neurovascular surgery. We performed a retrospective review of patients who underwent IOCS. We reviewed a patient series that underwent IOCS between October 2007 6d1f23a050
